Dear Ms Ann Murray

## **Residential Development at Land at Bagworth.**

Boyer Planning have been instructed by Persimmon Homes to prepare a Full Planning Application for 100 dwellings at Land at Bagworth.

Prior to submitting the planning application, we will be consulting with the local community. Due to the ongoing Covid-19 situation, we are unable to carry out a public exhibition and instead will be hosting the information and exhibition boards on our website. Consultation responses can be submitted by email and those that do not have access to the internet are able to write to us. The public consultation will commence on Wednesday 9<sup>th</sup> September and consultees have until Wednesday 23<sup>rd</sup> September to submit any formal representations.

Please see below the details of the consultations;

I would like to invite you as the Local Ward Councillor to participate in the consultation process. Should you wish to submit any formal comments then I would be happy to receive these in writing or by email.

If you have any questions, please do not hesitate to get in touch.

Yours sincerely
